

**MISSOURI DEPARTMENT OF CONSERVATION
AGE AFFIDAVIT**

Missouri Residents age 65 or older may *fish* or *hunt small game* without permit provided that they carry in their possession legal proof of age and residency while fishing or hunting. A Missouri Driver's License may be carried **or** carry this notarized affidavit. Please see definitions below for details.

“3CSR10-5.205 Permits Required; Exceptions: (b) Any resident of Missouri sixty-five (65) years of age or older may without permit, *except for trout stamp or daily tag* in areas where prescribed, take fish, bait and frogs as provided in Chapter 6; provided that such person shall carry at all times while fishing a valid Missouri motor vehicle operator's license or similar official document or a notarized affidavit affirming the bearer's eligibility based on residency and age, and shall submit such document for inspection by any agent of the commission on request.”

3CSR10-5.205 Permits Required; Exceptions: (c) Any resident of Missouri sixty-five (65) years of age or older may take wildlife, *except ruffed grouse, deer or turkey*, as provided in Chapter 7 without a resident hunting permit provided such person shall carry at all times while hunting a valid Missouri motor vehicle operator's license or similar official document or a notarized affidavit affirming the bearer's eligibility based on residency and age, and shall submit such document for inspection by any agent of the commission on request. All other special hunting permits will be required as prescribed.”

(cut out & carry the completed, notarized form)
